

HANNI PHAM

DANCER / SINGER

PROFILE

Hi, I'm Hanni! Born in Melbourne, Australia, I'm a 19-year-old singer and dancer who's passionate about music and performing. Though I'm part of the amazing K-Pop group NewJeans now, the journey wasn't always easy. Balancing my Vietnamese and Australian heritage while pursuing my dream in Korea has been a unique experience, but I wouldn't trade it for the world. I'm excited to see what the future holds and can't wait to share my music and story with the world!
